®Glutoclean

WTR Path and Patio Cleaner

Technical Data Sheet

5l / Item number 050005074 / EAN 4044899050056

Automatically removes organic dirt and its residues. Prevents dirt from re-accumulating. Areas of use: For patios, building facades, pavements, roofs, fences and all outdoor surfaces such as stone, wood, glass, concrete and ceramic surfaces, roof tiles, paving slabs, clinker bricks and paving stones, etc.

- ready to use
- for stone, wood, plastic and glass
- automatically removes organic dirt
- prevents re-soiling
- up to 50 m²

Area of application

Automatically removes organic dirt and its residues. Prevents re-soiling.

Processing

The area to be treated must be dry. Apply the product liberally and evenly to the surface. Do not rinse off and leave to work for at least 24 hours. Dirt will disappear without any further treatment of the surfaces. Only for stubborn residues, go over the area with a brush or scrubbing brush, or extend the application time. Repeat the application if necessary. Clean the tools with water after use.

Storage

Store in a cool, frost-free place.

Notes

During the treatment, there may be temporary changes in colour, but these will fade away when exposed to sunlight and the elements.
