®Glutoclean

Glass and Mirror Cleaner

Technical Data Sheet

500ml / Item number 030401092 / EAN 4044899304913
750ml / Item number 030402092 / EAN 4044899304920

A cleaner with excellent grease- and dirt-dissolving properties that leaves no streaks or smears. It also removes stubborn dirt, such as oil and grease films, nicotine and fly droppings. Protects the surface from re-soiling. Creates an anti-fog coating on mirrors and lenses.

- Removes dirt, grease and nicotine stains, and protects against further soiling

Area of application

For cleaning any glass surfaces: windows, doors, shop windows, glass tables, photo frames, car windows or greenhouse panes, as well as mirrors and mirrored surfaces. Can also be used to clean spectacle lenses and the lenses of photographic and video equipment.

Processing

Spray onto the surface, leave for a short time and wipe with a dry cloth. When using a squeegee to clean glass, spread the product evenly with a damp cloth or sponge after spraying, then remove it with the squeegee.

Storage

Shelf life: at least 60 months from the date of manufacture

Notes

The anti-fog effect is enhanced with regular use of the product.

Keep out of reach of children.

Base ingredients: < 5% non-ionic and anionic surfactants
fragrances
pH: 7.5
