A ready-to-use specialist cleaner for the thorough removal of soot deposits, combustion residues, grease and stubborn dirt from fireplace and stove glass panels. Quickly restores a clear view, sparkling cleanliness and a well-maintained appearance – simply spray on and wipe off.

- Immediate effect
- removes soot deposits
- prevents stubborn dirt build-up

## Area of application

A ready-to-use cleaner for removing soot deposits, combustion residues, grease and stubborn dirt.

## Processing

Only use when the stove or fireplace is cold! Spray evenly onto the soiled glass surface and leave for 1–2 minutes. Wipe up the loosened residue with a cloth, sponge or kitchen roll, then rinse with clean water. Finally, rub dry with a clean cloth.

## Storage

Keep the container tightly closed and store in a cool place, away from frost. Keep out of the reach of children.

## Notes

Follow the care instructions provided by the fireplace or stove manufacturer. The finish should be fully cured before the first cleaning. Protect the area surrounding the surface to be cleaned from contact with the product. If necessary, rinse off immediately with plenty of water.
