MagiX Polishing Cleaner

Technical Data Sheet

300g / Item number 048901074 / EAN 4044899489016

Cleans, polishes and conditions in a single step. Restores the shine to metal. Does not scratch surfaces. Leaves a protective layer that repels new dirt. Areas of use: Countless possibilities. In the bathroom and kitchen; jewellery, plastics and garden furniture; for boats, caravans and cars. Particularly effective and useful on metal surfaces: chrome, stainless steel, copper, brass, gold and silver. Also suitable for ceramic hobs and induction hobs.

- with an internal sponge
- cleans, polishes and conditions
- with a water-repellent finish
- with a citrus scent

Area of application

Metal polish for the kitchen, bathroom and home: cleans, polishes and conditions in a single step, restores shine and protects against further dirt.

Processing

Lightly dampen the sponge provided. Gently rub the damp sponge over the cleaning stone. Use the sponge to clean the relevant surface until the dirt has been removed. If necessary, repeat the process several times for heavier soiling. Then rinse the surface with water and wipe it dry.

Storage

Store the container tightly sealed in a cool place, but away from frost.

Notes

Not suitable for high-gloss surfaces. Keep out of reach of children.
