®Glutoclean

Furniture Cleaners and Care Products – High-Gloss

Technical Data Sheet

750ml / Item number 048402074 / EAN 404489948745

For high-gloss, lacquered, film-coated and other delicate furniture surfaces in the home, such as high-gloss fronts in the kitchen, living area, bathroom and toilet. Also particularly suitable for plastic-coated surfaces. High-gloss kitchen fronts are extremely delicate and must be cleaned with particular care. Glutoclean High-Gloss Fronts Cleaner gently cleans and cares for delicate household furniture surfaces. It removes smears, streaks, fingerprints, stains and signs of wear, leaving a streak-free shine. It reduces the build-up of dirt and prevents premature signs of ageing.

- cleans gently
- retains its shine
- for high-gloss, painted and film-coated surfaces

Area of application

High-gloss cleaner for the kitchen, bathroom, toilet and living areas: gently removes fingerprints, smears and stains from delicate surfaces.

Processing

Simply spray evenly onto the surface to be treated and wipe off with a damp cotton cloth. If necessary, gently rub polished surfaces dry.

Storage

Keep the container tightly closed and store in a cool place, away from frost. Keep out of the reach of children.

Notes

Microfibre cloths often leave fine scuff marks on high-gloss surfaces, which can cause the surface to lose its shine. You should therefore always use a damp cotton cloth, a soft cloth or a chamois leather for cleaning.
