®Glutoclean

Disinfectant cleaner for the fridge

Technical Data Sheet

750ml / Item number 039202092 / EAN 4044899392927

Removes food stains, dirt, grease build-up and traces of use. Prevents food spoilage and ensures hygienic cleanliness.

- cleans and disinfects
- prevents food from going off

Area of application

For all fridges, microwaves, freezers and other surfaces that come into contact with food, such as kitchen worktops.

Processing

Remove any food from the surface to be cleaned. Apply the fridge sanitiser thoroughly and evenly to the surface and leave it to work for 2–3 minutes. Wipe up any residue with a towel or paper towels. Then rinse with clean water. Repeat the cleaning process if the surface is heavily soiled.

Storage

Date of manufacture: see imprint
Shelf life: at least 60 months from the date of manufacture

Notes

Causes skin irritation. Causes serious eye irritation. Harmful
to aquatic life with long-lasting effects. Keep out of
reach of children. If medical advice is needed: have the
product packaging or label to hand. Wear protective gloves and eye protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if you wear them and if this can be done easily. Continue rinsing the eyes. If eye irritation persists: seek medical advice. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: seek medical advice. Wash hands thoroughly after use. Do not allow
the product to enter the environment. Dispose of any remaining contents/container in accordance with local regulations.

Base formula: < 5 % non-ionic and cationic surfactants
Coverage: sufficient for 8–10 m²
pH value: 7.5–8.0
