®Glutoclean

Oven and grill cleaner

Technical Data Sheet

500ml / Item number 039001092 / EAN 4044899390916
750ml / Item number 039002092 / EAN 4044899390923

Removes even the most stubborn, burnt-on food residues and greasy stains quickly and effectively. Its gel formulation ensures powerful cleaning action even on vertical surfaces.

- removes burnt-on food from frying pans as well

Area of application

Suitable for all ovens, fan-assisted cookers, built-in electric ovens, baking trays, casserole dishes, frying pans, saucepans, grill racks and oven door glass.

Processing

Use only on cooled surfaces!
Spray the soiled surface evenly and leave to work for 1–2 minutes. Wipe up any residue with a cloth or kitchen towel. Then rinse with water and wipe dry with a clean cloth. For heavy soiling, repeat the cleaning process and, if necessary, leave it to work for longer.

Storage

Shelf life: at least 60 months from the date of manufacture

Notes

Follow the oven manufacturers' care instructions.
Protect adjacent surfaces from coming into contact with the cleaner whilst cleaning. If necessary, rinse immediately with plenty of water.
May cause chemical burns. Keep out of reach of children. Do not inhale the aerosol. Avoid contact with eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear protective gloves and safety goggles when using. If swallowed, seek medical advice immediately and show the label.

Base formula: <5 % anionic and non-ionic surfactants
Also contains: fragrances, contains sodium hydroxide
pH: 12.0 – 12.5
