Grout Cleaner

Technical Data Sheet

750ml / Item number 036302074 / EAN 4044899363026

Ready-to-use cleaner for removing grease, dirt, care product residues and stubborn deposits without damaging the grout. For hygienic cleaning of wall and floor tile joints, e.g. in kitchens or bathrooms. Suitable for indoor and outdoor use. For ceramic and natural stone tile joints. Also suitable for mineral joints on clinker bricks, facing bricks, brick slips, natural stone and other masonry.

- for wall and floor tiles, for both indoor and outdoor use
- highly effective against grease, dirt and deposits

Area of application

This ready-to-use grout cleaner removes grease, dirt and deposits from tile and natural stone grout, both indoors and outdoors.

Processing

Spray the cleaner generously and evenly onto the soiled, dry surface and leave it to work for 1–2 minutes. Scrub the treated joint with a soft brush. Rinse the brush regularly with clean water and remove the film of dirt.

Storage

Store the container tightly sealed in a cool place, but protect from frost.
Keep out of the reach of children.

Notes

Before use, test the product on an inconspicuous area to check that it is compatible with the surface, as colour changes may occur.
