®Glutoclean

Stainless steel and chrome care

Technical Data Sheet

500ml / Item number 036702205 / EAN 4250295102309

Cleans, protects and maintains stainless steel and chrome. Removes signs of wear, fingerprints, discolouration, greasy dirt, dust, water marks and limescale. For polished, brushed, matt and glossy stainless steel and chrome surfaces. In the kitchen for extractor hoods, fittings, worktops, appliances and taps; or around the home for railings, letterboxes, furniture panelling, etc.

- also suitable for chrome
- cleans and nourishes
- forms a neutral protective film
- with anti-fingerprint coating

Area of application

Stainless steel cleaner for the kitchen, home and commercial use: cleans, maintains and protects stainless steel and chrome from fingerprints, limescale and water marks.

Processing

Use only on dry surfaces. Dry wet surfaces beforehand. Apply the stainless steel and chrome care product sparingly to the surface using a soft, dry and clean cloth, and spread it evenly. Leave for 1–2 minutes and wipe away any loosened dirt. Then polish with a clean, dry cloth.

Storage

Store the container tightly sealed in a cool place, but away from frost. Keep out of the reach of children.

Notes

Thoroughly clean encrusted and heavily greasy surfaces beforehand using Wepos Stainless Steel and Chrome Cleaner.
