®Glutoclean

Marble + Granite Cleaners and Care Products

Technical Data Sheet

1l / Item number 035603074 / EAN 4044899356035

For removing greasy, oily stains and signs of wear and tear. Suitable for all marble and granite surfaces, both indoors and outdoors, particularly in living areas, kitchens and bathrooms, as well as for commercial premises.

- Concentrate
- prevents drying out
- also for worktops

Area of application

Care concentrate for marble and granite in the kitchen, bathroom and hallway: cleans thoroughly, provides long-lasting care and preserves the natural beauty of the surfaces.

Processing

Add 50 ml of the cleaner to a bucket containing 10 litres of warm water and mix well. Apply evenly with a mop or cloth and leave to work for a short while. Then wipe over the surface again with the same cleaning solution. Do not rinse with clean water. Leave the treated surface to dry. If streaks appear on high-gloss polished surfaces, use a lower dose of cleaner.

Storage

Keep the container tightly closed and store in a cool place, away from frost. Keep out of the reach of children.

Notes

To protect high-quality natural stone such as marble or granite from greasy or oily stains and water marks, we recommend treating it with Glutoclean Marble and Granite Water Repellent.
