®Glutoclean

Anti-mould additive

Technical Data Sheet

BAuA-Reg.-Nr.: (D): N-105193

1l / Item number 038503074 / EAN 4044899385035

Immediate and long-term protection against mould and microbial growth. Add to water-based renovation products to prevent the formation of mould, fungi and algae. As an additive for emulsion-based levelling compounds and similar water-based building materials.

- Concentrate
- Additive for emulsion paints, wallpaper paste and filling compounds
- Additive for emulsion paints, wallpaper paste and filling compounds
- Use biocidal products with care. Always read the label and product information before use.

Area of application

Immediate and long-term protection against mould and microbial growth. Add to water-based renovation products to prevent the formation of mould, fungi and algae.

Processing

For emulsion and exterior paints, add 25 ml of anti-mould additive per litre of paint and stir thoroughly. To protect wallpaper paste, stir 25 ml per litre into the mixing water.

Consumption

1 litre is enough for 40 litres of paint or a similar water-based product.

Storage

Keep the container tightly closed and store in a cool place, away from frost. Keep out of the reach of children.
