®Glutoclean

All-in-One PFX Cleaning Concentrate

Technical Data Sheet

1l / Item number 120902074 / EAN 4044899209027

Highly concentrated cleaner for removing grease and wax residues, construction dirt, scuff marks, rubber marks, nicotine deposits, etc. Intensive cleaning for trades and industry. Suitable for surfaces made of stone, ceramics, PVC, plastic, glass and metal. For machinery, workshops, kitchen, office and garden furniture, awnings, etc. For deep cleaning prior to the application of sealants, water-repellents, gloss coatings and protective films.

- thorough and residue-free cleaning
- removes oils and greases, wax, soot, rubber residue and heavy soiling
- inside and outside

Area of application

Highly concentrated cleaner for removing grease and wax residues, construction dirt, scuff marks, rubber marks, nicotine deposits, etc.

Processing

Apply generously using a cloth or sponge and leave to work for up to 5 minutes, depending on the level of soiling. Wipe away any loosened dirt with a cloth and rinse with clean water. Using a brush may help, depending on the level of soiling. Then rinse with clean water.

Storage

Store the container tightly sealed in a cool place, but protect from frost.
Keep out of the reach of children.

Notes

Test on a small, inconspicuous area before use to check for any adverse reactions on sensitive skin.
