MKK Plastic Deep Cleaner

Technical Data Sheet

1l / Item number 036604074 / EAN 4044899366041

The Plastic Deep Cleaner thoroughly and intensively removes signs of wear, dirt marks, grease, oil, nicotine deposits and even stubborn dirt from plastic surfaces. It has an anti-static effect and is ideal for doors, window frames, roller shutters, garden furniture, kitchen and bathroom furniture, as well as plastic cladding both indoors and outdoors.

- for all plastic surfaces
- ideal for window frames
- also for boats, cars and garden furniture
- has an antistatic effect

Area of application

Removes signs of wear, grease, oil, nicotine and stubborn dirt from plastic. Anti-static, for indoor and outdoor use.

Processing

Apply the cleaner undiluted to the dirt using a cloth or sponge and leave it to work for a few seconds. Then wipe away the loosened dirt and rinse with clean water. For particularly stubborn deposits, scrub with a brush and rinse with water.

Storage

Store the container tightly sealed in a cool place, but protect from frost.
Keep out of the reach of children.

Notes

Before use, test the product on a discreet area of sensitive surfaces (e.g. those with a high-gloss finish) to ensure they are compatible. MKK Plastic Deep Cleaner can also be diluted with water (up to a ratio of 1:5) for use on sensitive surfaces or where soiling is light.
