®Glutoclean

Grease, wax and dirt remover

Technical Data Sheet

1l / Item number 036403074 / EAN 4044899364030

Effortlessly removes stubborn dirt such as old layers of care products, grease, wax and polish residues, construction dirt, scuff marks, heel marks and rubber marks, as well as nicotine deposits and yellowing. Suitable for surfaces made of stone, ceramic, plastic, glass and metal, both indoors and outdoors. For deep cleaning of floors, window sills, kitchen, office and garden furniture, awnings, etc. Also recommended for cleaning car interiors and wheel rims (including aluminium). For deep cleaning prior to the application of sealants, impregnating agents or gloss and care coatings.

- Concentrate
- removes old layers of wax and polish
- for stone, tiles and ceramics, plastic and metal

Area of application

Intensive cleaner for living areas, kitchens, hallways and offices: thoroughly removes old layers of polish, grease, wax, building dirt, nicotine and yellowing from floors.

Processing

Pour 200 ml of the cleaner into a bucket containing 10 litres of warm water. Apply using a floor mop or cloth. Then go over the area with a scrubbing brush, brush or sponge to remove any loosened dirt. Finally, rinse with clean water. For heavily soiled surfaces, it can also be used undiluted.

Storage

Store the container tightly sealed in a cool place, but away from frost. Keep out of the reach of children.

Notes

High-gloss surfaces may become matt under certain circumstances. Always test on an inconspicuous area first.
