

® *Glutoclean*

Hygiene Spray

Properties:

- kills viruses, germs and bacteria
- for all domestic surfaces, e.g. bathrooms, kitchens, floors and furniture
- combats unpleasant odours
- cleans and disinfects

Action:

Cleans and disinfects surfaces. Ensures permanent elimination of bacteria, germs, viruses, fungi and pathogens, and removes soiling. Regular use also serves to prevent mould and fungal growth.

Areas of application:

For all washable surfaces in bathrooms, toilets, kitchens, living rooms, children's rooms and bedrooms. For kitchen worktops that come into regular contact with food, chopping boards, bins, refrigerators, microwaves and cupboards. In bathrooms and toilets, for WC suites, toilet seats, flush buttons, taps, door handles, bathtubs, showers, shower heads and shower curtains. For animal cages, cat litters, dog baskets and pet feeding bowls. Also for shoes, furniture, tiles and floors. Prevents and eliminates unpleasant odours from waste outlets.

Application:

Spray onto surface from a distance of 10 cm. Spread with cloth or sponge and allow to work for 5 minutes. Then wipe down with fresh water. Treat waste outlets several times by spraying and allowing to work overnight.

Technical data:

Density: Approx. 1 g/cm³
pH value: 7.5
Appearance: Clear liquid
Odour: Noticeable

Storage:

Store in cool, though frost-free environment in properly sealed containers. Keep out of reach of children.
