

Technical Product Information

® Glutoclean

Stainless Steel & Chrome Care Edelstahl und Chrom Pflege

Description

Cleans and cares. Provides a neutral protective film and prevents finger prints.

Action

For cleaning and care of all stainless steel and chrome surfaces.

Removes traces of usage, finger prints, dust, grease and water stains giving an evenly clean, matt-shining surface. The invisible protective film reduces future contamination, prevents finger prints and corrosion stains and is water-repellent.

Scope of application

For all polished, ground, matte and shining stainless steel or chrome surfaces. For kitchen and household, e.g. for exhaust hoods, equipment, fittings, furniture elements, home accessories, railings or mailboxes.

Application

The surface to be treated must be dry. Apply Stainless Steel & Chrome Care thinly onto the surface and distribute it evenly using a soft, dry and clean cloth.

Pick up the dissolved dirt with a cloth after 1-2 minutes of application time and then polish the surface using a dry, clean cloth.
