

Teak and Hardwood Oil

Teak und Hartholz Oel

Description

Long-lasting protection for teak, eucalyptus, Bangkirai, robinia and other hardwoods. Very economical and waterproof.

Action

For care and protection of all premium hardwood surfaces. Oiled and natural hardwood surfaces remain durable through the treatment. Long-lasting protection against dehydration, atmospheric influences and fungal infestation. Keeps the original colour shade when used regularly. Teak and Hardwood Oil has a good penetration capability and is quick drying.

Scope of application

Wood care oil that has been specifically adapted to the properties of teak and other weatherproof woods. Can be used for all kinds of garden furniture, garnitures, pergolas, carports, boat decks, pavilions and the like made of teak, eucalyptus, robinia, Bangkirai, mahogany, rosewood, plantation teak, Iroko and other hardwoods.

Application

The surface must be thoroughly cleaned before application and should be dry.

Apply the oil with brush, roller or clean and dry cloth thinly and covering in the direction of the grain.

Collect any excess oil after 10 minutes and rub the surface dry.

Please note

Clean the surfaces thoroughly using Glutoclean Teak Cleaner & Grey Remover. Do not apply over dirt or grease deposits since this will render the wood dark and, over time, black.

Technical data

- Density: 0.85 g/ml
- pH value: n.a.
- Appearance: clear liquid
- Odour: mild

Safety notes

- Repeated exposure may cause skin dryness or cracking.
- Keep out of the reach of children.
- Do not inhale vapour.
- Avoid contact with skin.
- Use only in well-ventilated areas.

IMPORTANT: Cleaning rags soaked with teak and hardwood oil have a tendency for spontaneous combustion. Therefore, always wash out cleaning rags with water!
