

## Cement Film Remover

### Zementschleier Entferner

#### Description

Highly effective concentrate for acid-proof surfaces.

#### Action

For easy and fast removal of cement films, concrete and mortar residues, lime deposits, efflorescences and inorganic contaminations.

#### Scope of application

Ideal for final cleaning after construction. For application on all acid-proof surfaces such as ceramic wall and floor tiles, clinker tiles, ordinary ceramics, fine stoneware, brick, clay and cotto coverings, slate, quartzite, concrete slabs and lime-free natural stones such as granite.

#### Application

Always pre-wet the contaminated surface. Depending on the degree of contamination, apply the cleaner undiluted or 1:10 diluted with water. Distribute using a scrubbing brush or sponge and leave to soak for a short while. In the process, work in small sections and avoid surface drying. Collect the residual contamination using a sponge or wiping cloth and thoroughly rinse with plenty of water.

#### Please note

Always check surface compatibility before application. Prior to treatment, pre-wet the surface particularly in joint areas. Protect adjoining surfaces and immediately wash off splatter. Avoid contact with metals, enamel or chrome-plated objects.

Chalky natural stones such as marble, shell limestone, Jura marble, slabs from Solnhofen and travertine are sensitive to acids. The application may cause irreversible damage.

Caution with various granites (e.g. Kashmir White, various sorts of Padang or Crystal Black). Be sure to test them first.

#### Technical data

- Density: 1.06 g/ml
- pH value: <1.0
- Appearance: clear liquid
- Odour: fresh

#### Safety notes

- Irritant.
- Irritating to eyes, respiratory system and skin.
- Keep out of the reach of children.
- Do not inhale the aerosol.
- Avoid contact with skin and eyes.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Wear suitable protective gloves.
- If swallowed, seek medical advice immediately and show this container or label.
