

## Joins Cleaner Fugen Reiniger

### Description

Cleaner for joints in wall and floor tiles in indoor and outdoor areas. Acts powerfully and thoroughly on grease, dirt and deposits.

### Action

Ready-to-use cleaner for removing grease, dirt, care product residues and stubborn deposits without attacking the joints. For hygienic cleanliness of joints in wall and floor tiles, e.g. in the kitchen or bathroom.

### Scope of application

For joints in wall and floor tiles in indoor and outdoor areas. For joints in ceramic and natural-stone tiles. Also for mineral joints on clinkers, facing bricks, queen closers, natural stones and other masonry.

### Application

Spray the cleaner richly and evenly onto the contaminated, dry surface and leave to soak for 1-2 minutes. Treat sprayed joint with a soft brush. In doing so, rinse the brush regularly with clear water and remove the film of dirt.

### Please note

Prior to application, test the surface compatibility for a possible occurring change in colour on an inconspicuous area.
