

® **Glutoclean**

Laminate and Cork Care Floor Cleaner and Care Laminat- und Korkboden Reiniger und Pflege

Description

Cleans as you wipe, powerful and gentle at the same time. Also for wall and ceiling panels.

Action

For cleaning and care in one wiping action. Easily eliminates contamination, footmarks, heel marks and rubber skid-marks as well as greasy and oily contaminations.

Refreshes the coating and maintains the natural appearance of laminate. Floors will not become slippery.

Scope of application

For full laminate, flat laminate and veneered flooring in the indoor area. Also suitable for wall and ceiling panels.

For sealed cork flooring and cork parquet in the bathroom, kitchen, children's room and bedroom as well as in the living area.

Application

Pour 25 ml of the cleaner into a bucket with 10 l lukewarm water and stir well.

Wipe the floor slightly damp using a wrung out wiping cloth and leave to dry. Wiping off is not necessary. Increase dosage in case of stubborn contamination but then wipe off only slightly damp using clear water.

Please note

Laminate at its edge and joint areas, and cork floorings are basically sensitive to moisture. Therefore, extended exposure to moisture can result in swelling at the edges thus leading to bulging. Hence, always wipe only slightly damp and avoid ponding.

Storage:

Store well sealed in a cool and dry place.

Technical data

- Density: 1.01 g/ml
- pH value: 9
- Appearance: liquid
- Odour: characteristic
